COMPANY REG. NO. CS202000969

CERTIFICATE OF FILING  
OF  
AMENDED ARTICLES OF INCORPORATION

KNOW ALL PERSONS BY THESE PRESENTS:

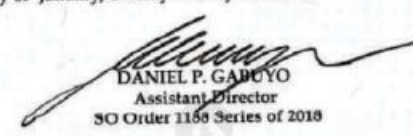

This is to certify that the amended articles of incorporation of the

**PHILIN INDUSTRIAL CORP.**  
(Formerly: PHILIN CONSTRUCTION AND GENERAL TRADING  
SPECIALIST INC.)  
(Amending Articles I and III thereof)

copy annexed, adopted on June 20, 2022 by majority vote of the Board of Directors and by the vote of the stockholders owning or representing at least two-thirds of the outstanding capital stock, and certified under oath by the Corporate Secretary and a majority of the Board of Directors of the corporation was approved by the Commission on this date pursuant to the provision of Section 15 of the Revised Corporation Code of the Philippines, Republic Act No. 11232, which took effect on February 23, 2019, and copies thereof are filed with the Commission.

Unless this corporation obtains or already has obtained the appropriate Secondary License from this Commission, this Certificate does not authorize it to undertake business activities requiring a Secondary License from this Commission such as, but not limited to acting as: broker or dealer in securities, government securities eligible dealer (GSED), investment adviser of an investment company, close-end or open-end investment company, investment house, transfer agent, commodity/financial futures exchange/broker/merchant, financing/lending company and time shares/club shares/membership certificates issuers or selling agents thereof; nor to operate a fiat money to virtual currency exchange. Neither does this Certificate constitute as permit to undertake activities for which other government agencies require a license or permit.

IN WITNESS WHEREOF, I have set my hand and caused the seal of this Commission to be affixed to this Certificate at The SEC Headquarters, 7907 Makati Avenue, Salcedo Village, Barangay Bel-Air, Makati City, 1209, Metro Manila, Philippines, this 24th day of January, Twenty Twenty Three.

REMITTERS:

1. An annual registration fee shall be paid upon registration and every year thereafter on or before the last day of January, using BIR Form No. 0605.
2. Filing of required tax return/s to conform with the above tax types, whether with or without business operation, to avoid penalties.
3. For new business registrants, application for registration of manual Books of Accounts (B/As) shall be before the deadline for filing of the initial quarterly income tax return or annual income tax return whichever comes earlier, from the date of registration. Registration of new set of manual B/As shall be before its use.
4. Immediately inform the district office in case of transfer/cessation of business and other changes in registration information by filing BIR Form No. 1905.
5. For Self-Employed Individuals (SEI) whose gross sales and/or receipts and other non-operating income does not exceed P3,000,000 and who opted to avail of the 8% Income tax rate, the tax type Percentage Tax (PT) shall not be reflected in the Certificate of Registration (COR). However, at the start of each taxable year, such SEI shall be automatically subjected to graduated income tax rates and required to file quarterly percentage tax return (BIR Form No. 2551Q) and option to replace the COR to reflect "PT", unless qualified and opted to avail of the 8% income tax rate annually.

I hereby certify that the above named person is registered as indicated above, under the provision of the National Internal Revenue Code, as amended.

  
ESTRELLA L. MANALO  
REVENUE DISTRICT OFFICER

Section 6 of Ordinance No. 62, Series of 2012 as amended by Ordinance No. 322, Series of 2016, provides:  
"Section 6. Post Audit. The main feature of this program is the post-audit scheme. This warrants post-audit of the issued regulatory permits and clearances within thirty (30) days; if a business establishment fails the post-audit it shall be included in the negative list by the authorized government agency concerned for proper corrective action. This includes sanitation permits, locational clearance, fire safety inspection permits and occupancy permits. This is to ensure that only compliant and first rate businesses subsist in the city.  
Further, Section 4 of the Ordinance shall not be in any way be construed as a waiver of other documentary required by applicable statutes and ordinances."

## PERMITS, LICENSES & CERTIFICATIONS

### PHILGEPS

Republic of the Philippines  
Department of Budget and Management  
PROCUREMENT SERVICE  
**CERTIFICATE OF PHILGEPS REGISTRATION**  
(Platinum Membership)

THIS IS TO CERTIFY THAT  
**PHILIN INDUSTRIAL CORP.**  
LOT 35 BLK. 1 RUBY ST. STA LUCIA VILLAGE 5 PUNTURIN,  
Valenzuela City, Metro Manila, NCR, Philippines

is registered in the **Philippine Government Electronic Procurement System (PhilGEPS)** on 27-Jul-2023 pursuant to Section 8.5.2 of the Revised Implementing Rules and Regulations of Republic Act No. 9184, otherwise known as the Government Procurement Reform Act.

This further certifies that **PHILIN INDUSTRIAL CORP.** has submitted the required eligibility documents in the PhilGEPS Supplier Registry as listed in Annex A, which document is attached hereto and made an integral part hereof.

For the purpose of updating this Certificate, all Class "A" eligibility documents covered by Section 8.5.2 of the Revised Implementing Rules and Regulations of Republic Act No. 9184 supporting the veracity, authenticity and validity of this Certificate shall remain current and updated. The failure by the prospective Bidder to update this Certificate with the current and updated Class "A" eligibility documents shall result in the automatic suspension of its validity until such time that all of the expired Class "A" eligibility documents has been updated.

By submitting this Certificate, the Bidder certifies:

- the authenticity, genuineness, validity, and completeness of the copy of the original eligibility documents submitted;
- the veracity of the statements and information contained therein;
- that the Certificate is not a guaranty that the named registrant will be declared eligible without first being determined to be such for that particular bidding, nor is it an evidence that the Bidder has passed the post-qualification stage; and
- that any finding of concealment, falsification, or misrepresentation of any of the eligibility documents submitted, or the contents thereof shall be a ground for disqualification from further participation in the bidding process, without prejudice to the imposition of appropriate administrative, civil and criminal penalty in accordance with the laws.

This Certificate is valid until 27-Aug-2025

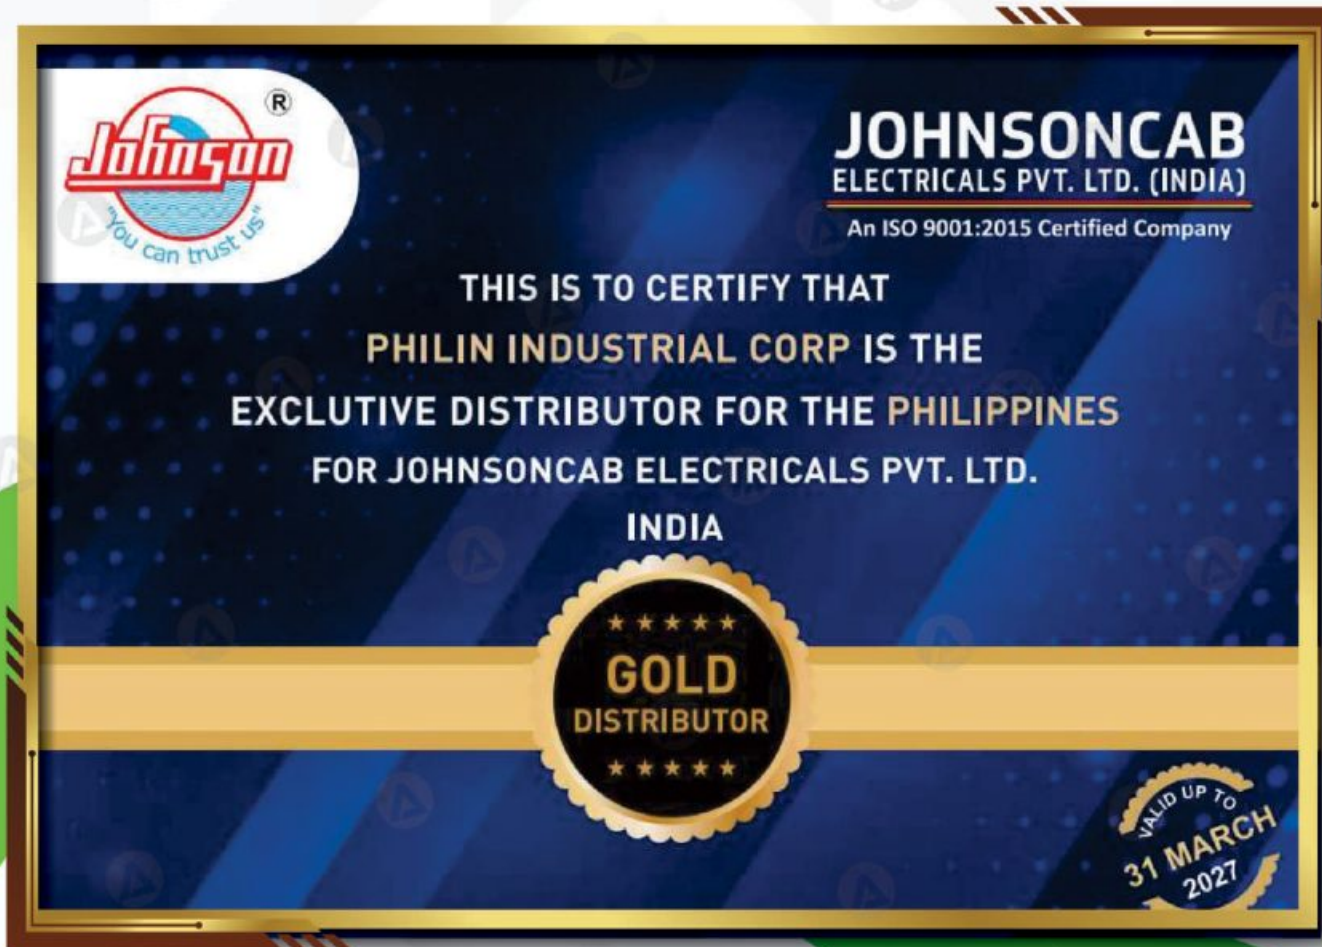

Issued this 27th day of August 2024.  
This is a system generated certificate. No signature is required.

Documentary Stamp Tax Paid Php 30.00  
Certificate Reference No: 202307-355748-1438120746

## DRILLING SERVICES (COMMERCIAL AND INDUSTRIAL)

1.

### WATER WELL DRILLING USING THE FOLLOWING METHODS

- Down the Hole (DTH) Drilling Method
- Cable Tool Method
- Mud Rotary Drilling Method

### HDD DRILLING

- TELCO lines using Horizontal Directional Drilling (HDD) method
- Water Lines using Horizontal Directional Drilling (HDD) method
- Sewer Lines using Horizontal Directional Drilling (HDD) method
- Power Lines using Horizontal Directional Drilling (HDD) method

### SOIL TESTING AND EXPLORATION

- Geotechnical Drilling
- Mineral Exploration Drilling
- Geotechnical and Geological Study
- Recommendation and Design of Ground Improvement

### GROUND IMPROVEMENT AND CONSTRUCTION DRILLING

- Micro Pile
- Bored Pile
- Drilling and High-Pressure Grouting
- Rock Anchor Drilling and Installation
- Shotcrete Solar Pile Drilling
- Drilling and Blasting

2.

## WATER TREATMENT & MAINTENANCE

### WELL REHABILITATION & MAINTENANCE

- Air Lifting Submersible Pump Pull-out and Installation
- Treatment of Hexametaphosphate
- Surging and High-Pressure Jetting
- Pump Testing

### CONSTRUCTION OF STORAGE TANKS

- Elevated Water Tank
- Cistern Storage Tank
- Pressure Tank
- Septic Tank

### OTHER PLANTS

- Sewage Treatment Plants
- Water Treatment Plants
- Seawater Desalination Plants
- Water Softener Plants
- Reverse Osmosis Plants

13.

14.

## CONSTRUCTION & DEVELOPMENT

3.

### CONSTRUCTION OF STORAGE TANKS

- Elevated Water Tank
- Cistern Storage Tank
- Pressure Tank
- Septic Tank

### ELECTRO-MECHANICAL

- Installation of pipelines (commercial and industrial)
- Control assembly and installation
- Installation of transfer and booster pumps
- Installation of Non-ULFM Fire Pumps
- Installation of Solar Panels and Pumps
- Installation of Chlorinator

### CONSTRUCTION OF INFRASTRUCTURES AND LAND DEVELOPMENT

- Water Lines using open trench pipe laying (manual) method
- Telecommunication Construction Works
- Architectural and Engineering Designs
- School Buildings• Residential Units
- Commercial Buildings
- Electrical WorksTown House and Subdivisions

4.

## OTHER SERVICES

### EQUIPMENT RENTAL

- High Pressure Air Compressor
- Self-Loading Concrete Mixer Trucks
- Solar Pile Drilling Rigs
- Water Well Drilling Rigs
- Micro/Bored Pile Drilling Rigs
- Loader
- Excavator
- Dump Truck
- Boom Truck
- Tractor Head with Flat Bed or Low Bed
- Fork lift• Container Unloading Ramp
- High Pressure Grout Pump

## OUR WAREHOUSE

Company Warehouse InformationAt Philin Industrial Corp., we are committed to expanding our operations to better serve our customers. Our warehouse, currently under construction, spans a total land area of 10,000 sqm, with a planned floor area of 5,008 sqm upon completion. As of now, the project is 60% completed, and we are working diligently to finalize the construction to enhance our storage capacity, logistics, and overall efficiency.

This expansion reflects our dedication to providing top-quality products and services, ensuring we meet the growing demands of our customers while maintaining excellence in operations. Stay tuned for updates as we progress toward completion!

## YOUR WORDS, OUR PRIDE

### NGC Industrial Pump Trading & Services

★★★★★

Since 2020, NGC Industrial Pump Trading & Services has been a loyal customer of Philin Industrial Corp., previously known as Philin Builders Company under the proprietorship of Prince Allan Sison. Over the years, we have procured multiple drilling machines and accessories from Philin Industrial Corp., and we are extremely satisfied with their performance and reliability.

The equipment's exceptional quality has significantly enhanced our operational efficiency, enabling us to undertake and complete projects with increased precision and timeliness. Philin Industrial Corp.'s commitment to excellence is evident not only in their products but also in their outstanding customer service. Their team's professionalism and prompt support have consistently met and exceeded our expectations.

We value our ongoing partnership with Philin Industrial Corp. and look forward to continued collaboration in the future.

Crisanto D.A. De Leon  
General Manager  
NGC Industrial Pump Trading & Services

### One Mangoag Solar 20MW Project

★★★★★

As the client representative for the One Mangoag Solar Corp. project, I am pleased to commend Philin Industrial Corp. for their exceptional contributions to our 20 MW solar farm in Sta. Barbara, Pangasinan.

Philin Industrial Corp. was entrusted with critical components of our project, including screw piling, mounting structure installation, photovoltaic panel installation, and deep well drilling. Their team's expertise and dedication were evident throughout the project.

The implementation of advanced C-pile foundations by Philin Industrial Corp. provided robust support for our solar arrays, ensuring stability and durability. Their efficient installation of mounting structures and photovoltaic panels was executed with precision, adhering to the highest industry standards. Additionally, their deep well drilling services secured a reliable water source for the project's operational needs.

Throughout the project, Engineer James Agas and his team demonstrated professionalism, technical proficiency, and a proactive approach to problem-solving. Their contributions have been instrumental in advancing our mission to provide sustainable energy solutions.

We highly recommend Philin Industrial Corp. for their exceptional services in renewable energy infrastructure projects.

## YOUR WORDS, OUR PRIDE

### Charoen Pokphand Foods Philippines

★★★★★

As the General Manager of the Swine Business Unit Engineering Department at Charoen Pokphand Foods Philippines Corporation (CPF Philippines), I am pleased to acknowledge the exceptional services provided by Philin Industrial Corp. Over the past several years, Philin Industrial Corp. has been our trusted partner for numerous water well drilling and pipeline projects across our various farms.

Philin Industrial Corp. employs the advanced Down-the-Hole (DTH) drilling methodology, which has significantly enhanced the efficiency and reliability of our water supply systems. In DTH drilling, a percussion mechanism, commonly called the hammer, is located directly above the drill bit. The drill pipes transmit the necessary feed force and rotation to the hammer and the bit, along with the fluid (air, water, or drilling mud) used to actuate the hammer and flush the cuttings. The drill pipes are added to the drill string successively behind the hammer as the hole gets deeper.  
EN.WIKIPEDIA.ORG

This technique has proven especially effective in the hard rock formations present at several of our sites, ensuring precise and efficient drilling operations.

Throughout our collaboration, Philin Industrial Corp. has consistently demonstrated professionalism, technical expertise, and a commitment to excellence. Their proactive approach to problem-solving and dedication to quality have been instrumental in addressing our water-related challenges. We have full confidence in their capabilities and look forward to continuing our partnership to meet our future water infrastructure needs.

We highly recommend Philin Industrial Corp. to any organization seeking reliable and advanced solutions in water well drilling and pipeline installations.

### LHS Drilling Enterprises

★★★★★

As a seasoned contractor specializing in government drilling projects, LHS Drilling Enterprises has relied on Philin Industrial Corp. for our equipment needs over the past several years. Our acquisitions have included drilling machines, drill bits, and essential drilling chemicals such as polymers and bentonite.

The superior quality and performance of Philin Industrial Corp.'s products have been instrumental in the successful execution of our projects. Their equipment's reliability and efficiency have consistently met the rigorous demands of our operations.

Beyond their exceptional products, Philin Industrial Corp. offers outstanding customer service. Their team's expertise and responsiveness have ensured seamless integration of new equipment into our workflows, minimizing downtime and enhancing productivity.

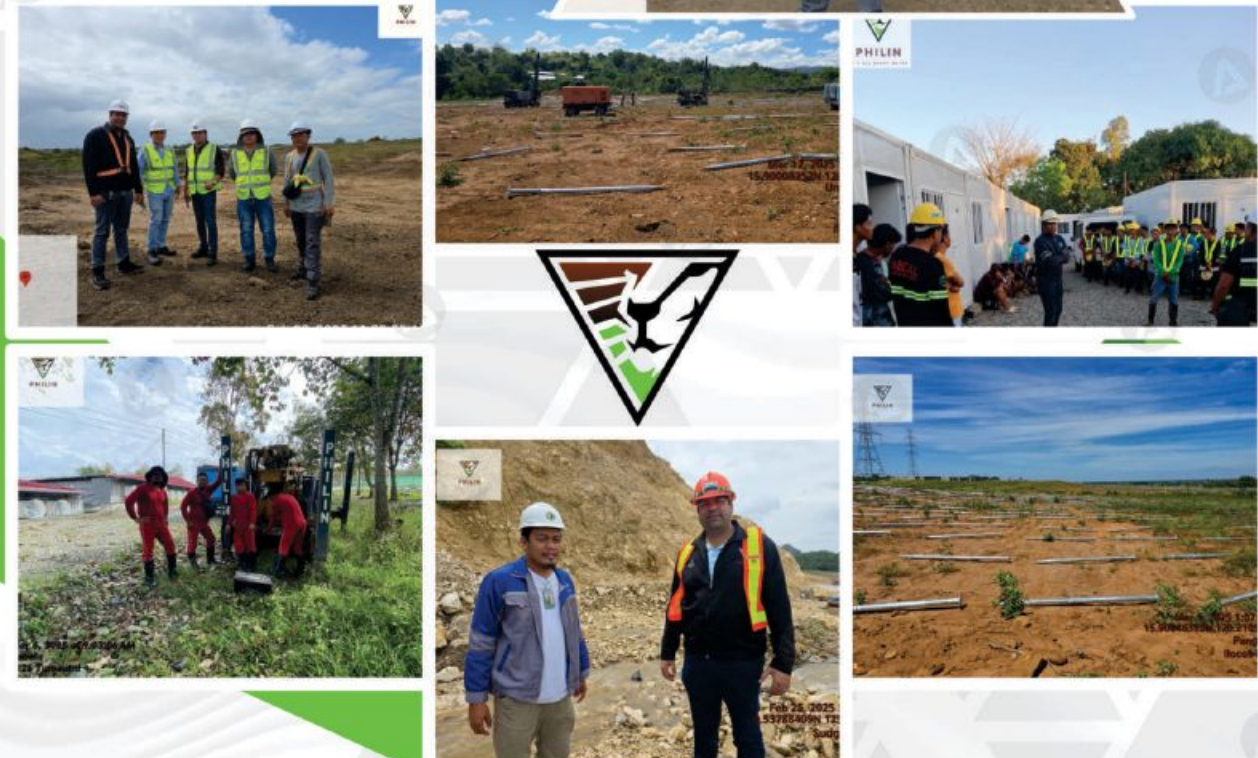

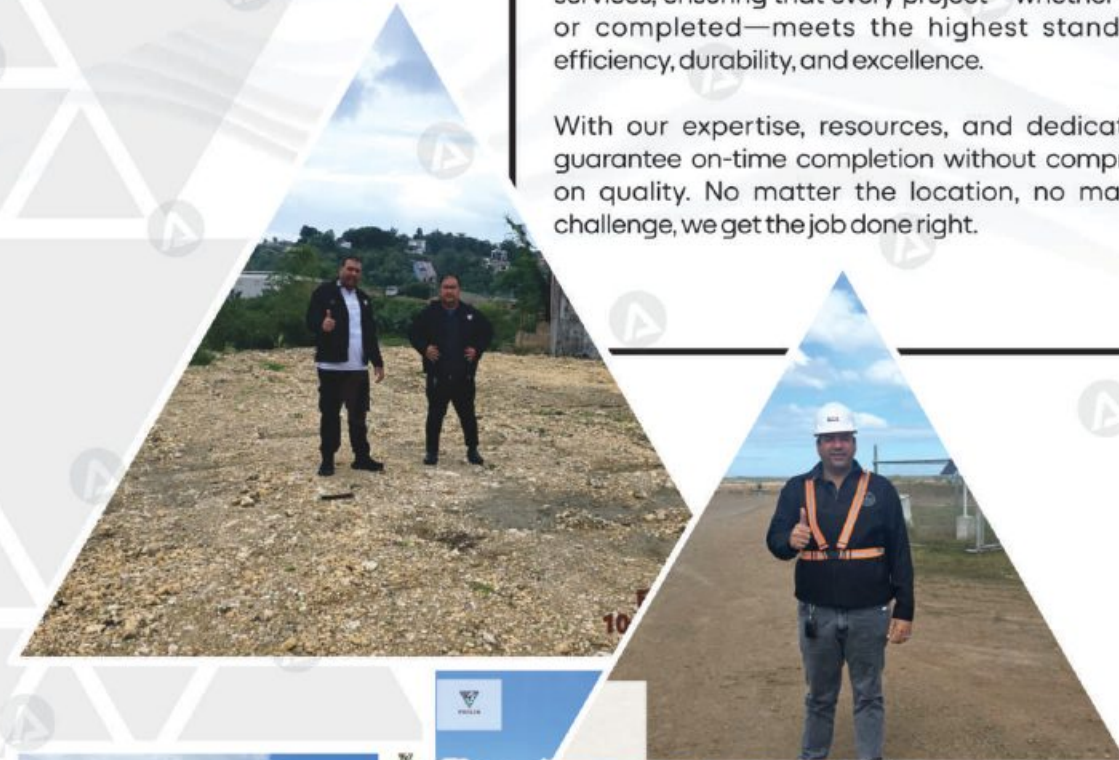

We highly value our partnership with Philin Industrial Corp. and anticipate continued collaboration to support our future endeavors.

Allan E. Alcantara  
General Manager  
LHS Drilling Enterprises

## BUILDING EXCELLENCE ACROSS THE PHILIPPINES AT PHILIN INDUSTRIAL CORP

we take pride in our ability to deliver high-quality projects anywhere in the Philippines. From Luzon to Mindanao, our team is committed to providing top-tier services, ensuring that every project—whether ongoing or completed—meets the highest standards of efficiency, durability, and excellence.

With our expertise, resources, and dedication, we guarantee on-time completion without compromising on quality. No matter the location, no matter the challenge, we get the job done right.

| SUV                             | 5        | <ul style="list-style-type: none"><li>- Official use by project managers and coordinators for administrative tasks</li><li>- Site-to-office and off-site travel</li></ul>                                      |
| Pick up                         | 3        | <ul style="list-style-type: none"><li>- Access to rough terrain and off-road sections of the site</li><li>- Transport of materials, solar components, or tools to distant site points</li></ul>                |

# Tools and Accessories

## **Drilling Operations:**

- Drill rods
- Core barrels and bit sets
- Lubricants and compressor hoses
- Rock cutters and DTH hammers
- Safety barriers and signs

# Tools and Accessories

## **Boom Truck Operations:**

- Lifting slings and shackles (certified)
- Load indicators and limiters
- Safety harnesses and ropes
- Tag lines and guide poles
- Remote-control system (if applicable)
- Traffic management tools (cones, signs)

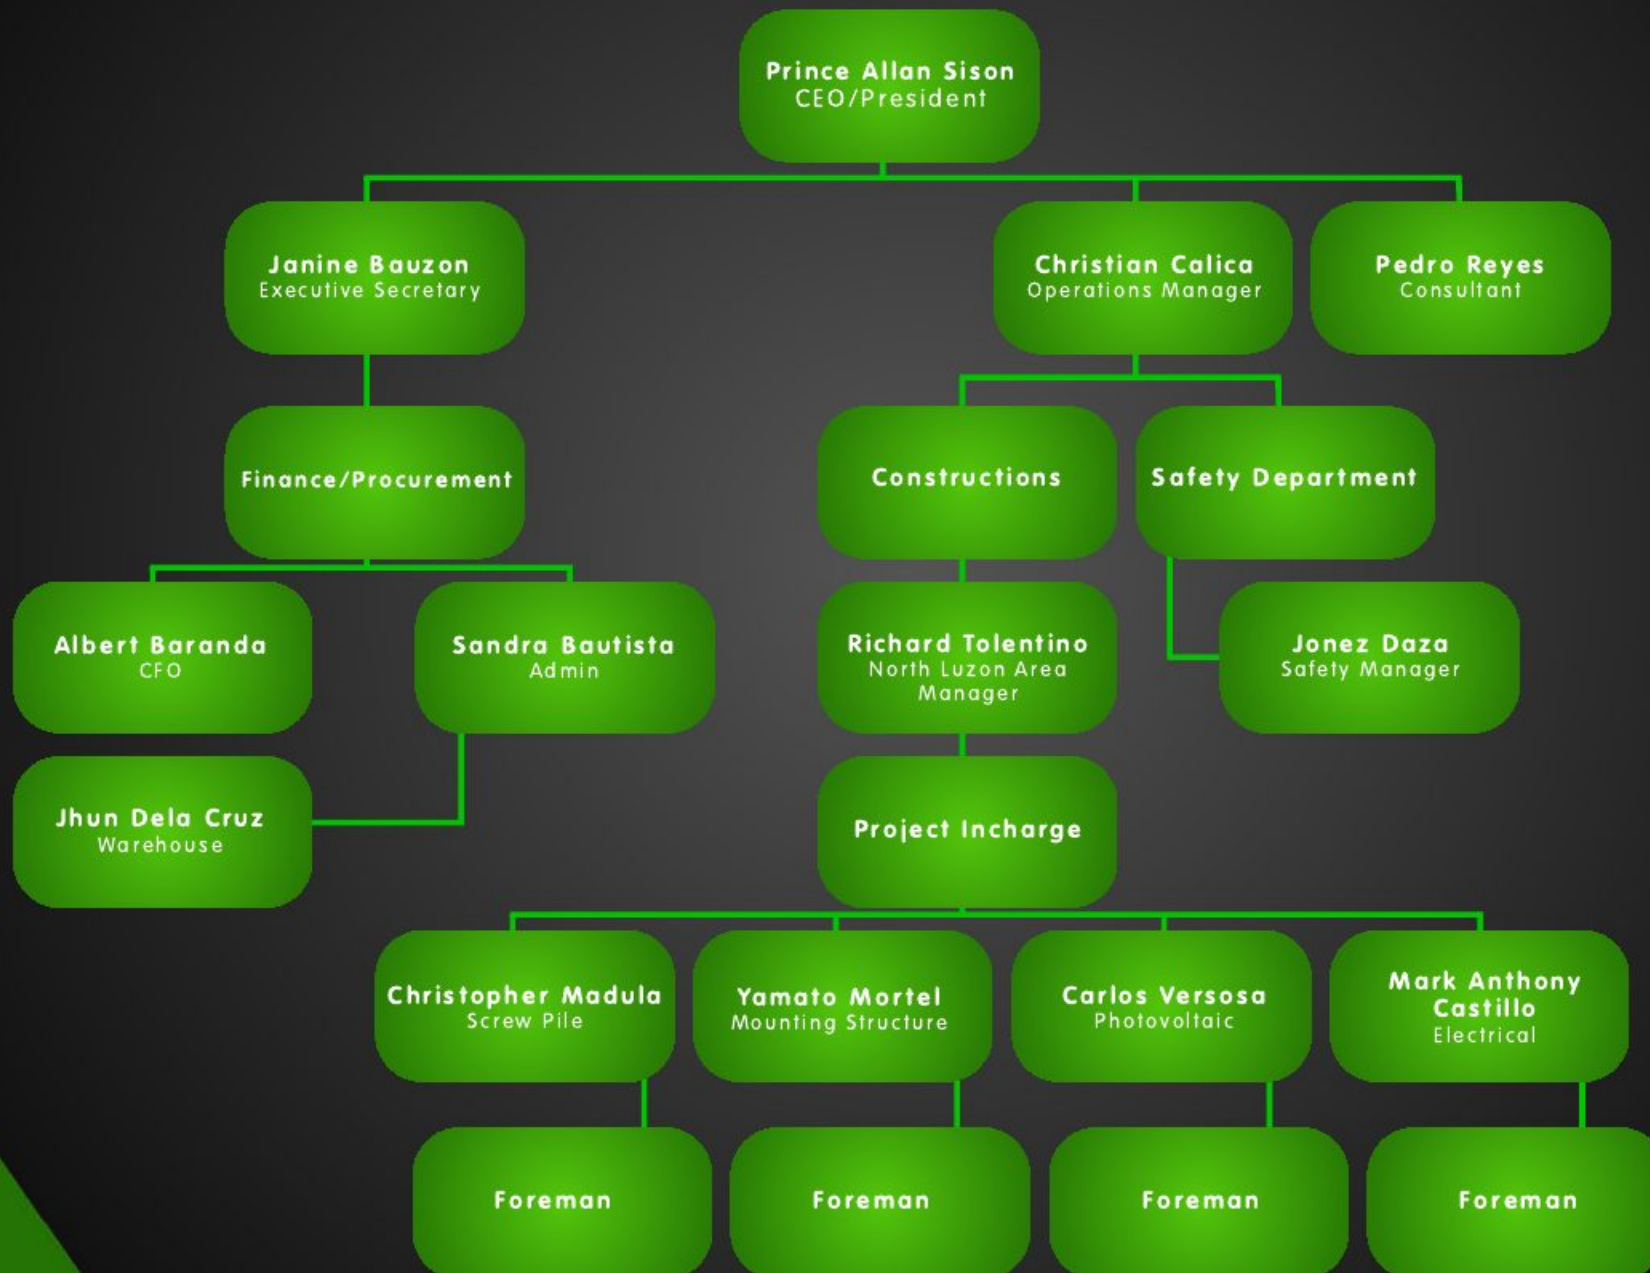

# Tools and Accessories

## **Forklift Operations:**

- Fork Extension enables handling of longer or oversized materials
- Pallet Jacks assists in maneuvering pallets into position for lifting
- Load Backrests prevents load from falling backward toward the operator
- Lifting Straps and Chains secures non-palletized or irregular loads during
